A tranquil summer sunset shone upon him as he approached the end of his walk, and passed through the meadows by the river side. He had that sense of peace, and of being lightened of a weight of care.

Thinking ahead

Thinking about your own funeral is never an easy thing to do. However almost everyone says that once they've taken care of these essential arrangements, they feel so much happier and have peace of mind.

The fact is, there are lots of good reasons to consider a Perfect Choice Funeral Plan. As well as bringing you comfort and reassurance now, it relieves your loved ones of a great burden at a time when they will be distressed enough. You can be sure of having the kind of funeral you would really like. Not one that others think you may have wanted.

Of course, with something so important it's only natural to want to know who is behind it. Perfect Choice is provided by members of the National Association

of Funeral Directors (NAFD) in association with Ecclesiastical Life Ltd. (part of the Ecclesiastical Group).

NAFD is an independent organisation that strives for the very highest standards in funeral service. It was established in 1905 and represents the interests of the entire spectrum of funeral directing businesses who conduct more than 80% of funerals in the UK.

NAFD Services Ltd. was set up in 1992 by NAFD to provide Perfect Choice Funeral Plans.

The Ecclesiastical Group is a well respected financial services organisation with assets of more than £1 billion.

With a union like this working on your behalf, you can be sure that your plan will be secure, and that you will receive a funeral in accordance with your wishes.

The Personal Plan

A truly unique tribute to you

This is the most popular choice for those who wish to pre-arrange a funeral. This unique aspect of Perfect Choice gives you the ability to discuss and plan with your funeral director every detail of the funeral you require, whether it be a very simple affair, or one that encompasses a Church Service, special hymns or music, or specific requests relating to cremated remains. You may feel that a 'woodland burial site' with an environmentally friendly coffin would be your preference, or that your final journey should be in a splendid horse drawn hearse. The essence of The Personal Plan within Perfect

Choice is that it gives you the freedom to consider all of the options available. This plan also allows you to discuss with your funeral director the costs of the differing options available, and make a considered judgement in your own timeframe, in relation to the overall cost of your pre planned funeral.

The greatest value of pre planning a funeral, is the ability to sit down and consider the choices available to you – your local funeral director will be only too happy to talk to you and provide the specific details to satisfy your wishes.

Your Questions Answered

What happens if I move to a different part of the country?

Because NAFD has so many members, you should be able to transfer your plan to an accredited funeral director near your new home.

What happens if I die abroad?

The Perfect Choice Funeral Plan does not cover the cost of a funeral abroad, or the cost of repatriating the deceased. It is therefore important that your travel insurance policy adequately covers this eventuality.

Can I buy a funeral plan for someone else?

Yes. We find that many of our clients choose to do this.

Can my arrangements be changed or cancelled?

Yes. All you need to do is contact your funeral director about any changes you wish to make (bearing in mind that there may be an additional cost). If you choose to cancel the plan after 14 days from the date of purchase you will receive a full refund, less the management fee.

Can I pay for my Perfect Choice Funeral Plan by Instalments?

Yes, you are able to pay over a number of different terms from 12 months to 5 years.

Is the plan guaranteed to cover the entire cost of the funeral?

The Plan is guaranteed to cover the funeral director's costs specified in the Purchase Agreement. Any money you may have paid towards the cost of payments to third parties will rise in line with the Retail Price Index (RPI)*. These payments include doctors, clergy and crematoria fees etc. If the cost of these payments increase at a rate in excess of RPI, then your next of kin/executor will be required to pay any shortfall.

* Please refer to section 4.4 of the Terms & Conditions for full details.

Who is eligible?

There is no upper age limit.
